BITING REMARKS ABOUT COVER

In respect to your June 1980 cover, as usual, MAD is very accurate. For years, Alfred E. has had his upper LEFT incisor tooth missing. So how come his bitten apple gives the imprint showing his upper RIGHT incisor missing? Maybe the worm had something to do with it?

Eugene V. Manusov, D.D.S.
Los Angeles, California

Bad Bite, Lasting Impression

Your apple cover is inaccurate to the core! The imprint on the apple is incorrect because Alf is missing only his upper left front tooth, not his bottom tooth too. So the channel of apple containing the worm is twice as long as it should be.

Mark Giordano
Dobbs Ferry, N.Y.

A CROCK O'BLIP NOW

The minute I flipped open the cover and saw your "A Crock O' Blip Now" I knew I had to get it! Mort Drucker is a genius and it seems he has been drawing for you forever. Amazing how his minor, supporting characters are identifiable, even if you don't know their names. Of course, in "Apocalypse," everyone was a minor character.

Johnny Mylar
San Rafael, Calif.

Mr. Larry Siegel and Mr. Mort Drucker are to be commended for boning Francis Ford Coppola's strange fish of a film. And, MAD merits praise, too, for not sidestepping such a complex screen rigor.

Brian Boru O'Donnell
Dublin, Ireland

Siegel and Drucker did one (BLIP) of a job!

Stephen B. Dobranski
Lansdale, Pennsylvania

SNAPPY ANSWERS JOGGING INCIDENT

I heartily applaud Al Jaffee's "Snappy Answers To Stupid Questions" as regular sequences in MAD. His "Jogging Incident" is a delightful "running gag," and the punchline, "Better you should be a SWIMMER!", may go into perpetuity with MAD fans.

Sheryle Dickerson
Jamaica, New York

MAD'S "TV GUIDE" TEXTBOOK

I especially enjoyed "MAD's 'TV Guide' Textbook" however I beg to differ with your facts in "I LOVE LIZZY" under the "Social Studies" section. Elizabeth was not the offspring of Henry VIII and his first wife Catherine of Aragon. She was the offspring of Henry VIII and Anne Boleyn, his second wife, who was also the first of his wives to meet with the sharp end of an axe. If we are going to teach history, we must be correct in our facts!

Bonita C. Yarbboro
Brooklyn, New York

Woodbridge and Silverstone apparently flunked "Literature" and "Language." It took Odysseus twenty years to get home, not ten! And, Middle English, not Old English, is spoken in Canterbury Tales!

Amanda Du Boff
Haverford, Pa.

If we knew history, we wouldn't have suggested a "TV Guide Textbook"!—Ed.

The programs in the "MAD TV Guide" were a lot more interesting than the shows in the real TV Guide! Joe Esposito
Hempstead, N.Y.

MORE MAD ESP?

Another case of MAD ESP! I noticed that among the list of new shows in TV Guide, there's a new CBS show, "Carlton, Your Doorman." Well, back in MAD #206, in Tom Koch's article "TV Spin-offs Yet To Come," was an improbable spinoff called "Carlton." Koch slated it for CBS, Monday, 11:30 P.M., so he had the time wrong.

Jon Blaine II
Mesa, Arizona

Sounds like an appropriate time-slot to us! —Ed.

LIGHTER SIDE OF THE IDIOT BOX

Concerning Dave Berg's "The Lighter Side Of The Idiot Box"... right on! It's high time that someone did such a thorough exposé on America's most obscene obsession. Hopefully, you've motivated more people to the pursuit of more rewarding "vices" such as sex, music, and MAD Magazine!

J. P. Thomas
Travis AFB, Calif.

ANOTHER FOLD-IN FAKE-OUT

I read with great glee your "MAD Fold-In" for June '80! After reading the text above the picture, "There are many things on this earth that never should have come into being in the first place. One such thing is with us now, and anyone who has come into contact with it hopes it will soon disappear..." I must admit that I was surprised to see a Susan B. Anthony dollar. I thought for sure it would be the Shah!

Bill Davies
Davis, Calif.

WHO NEEDS A MAD NEWSLETTER?

CUSTODY'S LAST STAND DEPT.

So you really think that all we ever satirize are movies that are pretentious or stupid or bombieros, eh? Well . . . HA! We laugh in your freckled faces! HA! There's a picture out now that's a real winner! So does that mean we shouldn't touch it?! Get outta here!! We enjoy a tear-jerker as much as the next person! So here we go with MAD's version of the "Super Sobber Of The Year", mainly...

I haven't seen him in over a year! I never realized that he was so much **SHORTER** than the others his age . . .!

You mean your Son?

No . . . I mean my **HUSBAND!!**

Joanne left Tad because she wanted to find herself . . . and that's okay! But when my Husband's **SECRETARY** went to California to find herself . . . that **REALLY TEEED ME OFF!!**

Because my Husband **WENT ALONG** to help her look!

Gee . . . why did **THAT** tee you off?

To get custody of a six-year-old child will cost you **\$5000!**

For a thousand, I can get you custody of a nine-year-old **ORANGUTANG!!**

Take him to the **PARK** a lot! They love monkey bars!

I can't afford that! What can you do for a thousand dollars?

What would I do with an Orangutang?

When your Mother and Father got **divorced**, did you feel bad?

Well, yes and no! I felt bad because the house was emptier . . . but I also felt good because I was finally like all the rest of the kids in my class!

"Crymore vs. Crymore"

ARTIST: MORT DRUCKER

WRITER: STAN HART

Tad, if you stop me from going, something terrible is sure to happen!

What . . . ? You'll destroy yourself?

And the whole idea of this movie! Tad, listen to me . . . I don't love you!!

So?

What do you mean, "So?"?

I mean, you're not supposed to love me! We're **MARRIED!**

Why did Joanne leave me?

Because she felt neglected, frustrated and unhappy!

Yeah . . . she's been saying that for years! But why did she leave me?

Maybe because you're too sensitive a guy!

Just take it from me that Joanne is very confused, depressed, sullen, bitter and terribly resentful!

Well . . . considering her mental condition, it might have been worse!

How's that?

She might have changed her mind and **STAYED** with me!

You mean, she left and didn't take Bawly . . . ?

That's right! She left him with me!

A six-year-old who needs constant attention, who demands love and affection every moment, who requires supervision day and night, night and day?

As a Mother, what would you suggest I do . . . ?

Pack your bags and **LEAVE . . .** before the kid wakes up!

Hey . . . ! Don't you flush the toilet when you're finished?

Don't **HAVE TO!!** Nothing went into the toilet bowl!

Great!! And me standing here without my slippers!!

Daddy, where's Mommy? What happened to her?

I don't want to upset him by telling the truth! He's too young to handle it! **Hmm!** What should I tell him . . . ?

Ah! I got it! Mommy's dead!

Hey, Daddy was only making a joke! Where's your sense of humor, Grouch?

Where **IS** she?

Mommy and Daddy had an argument and Mommy left!

Why didn't **YOU** leave . . . and Mommy **STAY**?

Because Mommy is a lot smarter than Daddy!!

Mmm . . . just wait till you taste this French toast!

Can I wait till I'm sixteen, or till you learn to make it . . . whichever comes first?

C'mon... eat! You **KNOW** what Mommy always says!

She says I have to eat my breakfast so's I can grow up to be short and weak like Daddy!

That's "**BIG AND STRONG**", Dum-dum!!

I'll pick you up at three!

Supposing you can't!?

Supposing you got run over by a truck... and died!?

Yeah! And neither could I!!

How could that happen?

The way things are going, I couldn't be that lucky!

PUBLIC SCHOOL
PRIVATE JOKE

VOTE ALFRED E. NEUMAN FOR PRES!

Tad, as a friend, let me give you some advice!

Until things settle down, why not send Bawly to live with a close relative of yours...??

No, no! I couldn't do that to someone I love! It's cruel and inhuman!

Got a better idea??

Yeah! I'll send him to live with **STRANGERS**! No, on second thought, I'll take care of him myself!

Well, I'd call that dedication!

Nuts! I'd call that masochism!

Look, Bawly, you got a postcard from Mommy today!

Mommy who?

Sometimes a short attention span can be a blessing!!

Hey, don't you want to hear what Mommy has to say...?

Well, okay!

She says, "Dear Bawly, Try to understand why I ran off without saying goodbye, and left you in the care of a man I **DON'T LOVE** or **TRUST** anymore! It's simple! I had to leave and become the person I know I can become! I had to find the 'real me'!"

I'd just as soon watch "Gilligan's Island" re-runs!

Why?

THEY make about as MUCH SENSE!

TV ANNUAL
I DON'T REMEMBER MAMA

I also learned I have two opposing sides to my nature! One side is very selfish and says, "I want my Son, and I don't care if it costs my ex-Husband a fortune in legal fees, or even if it bankrupts him... I will HAVE my Son!!" And then, there's my generous side...

And what does that side say?

That the coffee and Danish are my treat!

We have one chance of keeping Bawly! It all depends on what kind of a Mother Joanne was! What did she do around the house?

Well, she paid the rent, the telephone, the gas and the electric bills! She balanced the checkbook, shopped for food and clothes, made the meals and did the cleaning!

Hmmmm! Not only was she a good Mother to Bawly... she was also a good Mother to YOU!!

Oh, Tad, I want to say a few things to you! First... Merry Christmas!!

Anything else? Oh, yes! You're FIRED!!

THAT, I mean! The "Merry Christmas" was cow pies!

Don't worry about it! You'll get over it! Hey, look how fast I got over losing YOU!

Fired...? You don't mean that!

But if I don't have a job, I'll lose Bawly!!

Thanks, Chief! Anything else?

I got a big problem, Mr. Shanaganin! I just lost my job!

Oh, that's very bad news! Very bad news, indeed!!

You're worried about my ability to support Bawly?

No... I'm worried about your ability to pay my fee!

I really need this job!

Why did you leave your last position?

There was a conflict of careers! My career as an Account Executive interfered with my career as a Mother...!

Since my Wife walked out on me, I've had to be both Father and Mother around the house!

Mmmm! That can be very confusing!...

Especially when I have to LIE and tell myself... "Not tonight!! I have a HEADACHE!!"

How long have you been at your current job?

Six months!!

And how much money do you make?

I make \$37,000 a year!

You mean after only six months on a job, you make that much?! Then answer this question: Could you get ME a job there?!!

Objection! I've already ASKED the witness that question!

You kids don't really
APPRECIATE what I've
DONE for you!

What'd
you
do?

For years, I've worked like
a dog . . . wheeled and dealed
. . . planned and maneuvered
. . . invested . . . did without
. . . and concocted all kinds
of brilliant financial deals!

And I **DID** all that so
YOU kids could have
what I **NEVER** HAD . . . !!

What
was
that?

A **FATHER** who's **WAY**
OVER HIS HEAD IN DEBT!

The cost of Heating Oil has
gone so high that I've had to
put the thermostat way down!

How low did
you put the
thermostat?

Let me put it
this way! Come
in for a while—

—but **DON'T** ask me to take your hat and coat!

That kid of mine has no idea
of what things **COST** today! I give
him his allowance, and he blows
it all in one day! Then, he has
the nerve to ask me for **MORE**!

Why don't you **TEACH** your
child the **VALUE** of a dollar?

I **DID**!! I sat him down . . .
and I explained all about
"**INFLATION**" and everything!

So . . . what happened?

NOW, he wants me to
give him his allowance
in **JAPANESE YEN**!!

What's that you're reading?!"
"PLAYBOY"!! All they show
 is pictures of **NAKED GIRLS**
 ... and all they write about
 is **SEX!** It's **DISGUSTING!!**

Why can't you read
 something dignified
 and respectable ...
 like **"THE WALL
 STREET JOURNAL"!!**

Let me
 see what
THEY
 write
 about!

**"OIL COMPANIES' PROFITS
 JUMP BY BILLIONS WHILE
 RAISING GAS PRICES 85%"!!**

Oh, wow! Are you kidding?!

That's not only **DISGUST-
 ING ... it's OBSCENE!!**

Look at that! In spite of double digit inflation, our
 highways are still crowded with cars! In spite of the
 prices of everything going through the ceiling, our
 supermarkets are still full!! In spite of the shrinking
 value of the dollar, people are still living in luxury
 homes with nice furniture and expensive appliances!

Yessiree ... in spite of all
 these problems, the great
**"American High Standard of
 Living" STILL GOES ON ... !**

Yeah, but only a **FOREIGNER**
 ... like an Arab Oil Sheikh
 ... can **AFFORD IT!!**

What's the mat-
 ter with you???
 You look **BEAT!**

That's because
 I'm working on
TWO JOBS!

Are things
 really **THAT
 TOUGH??**

You bet!! I have
 trouble just pay-
 ing the **RENT!!**

Especially now that
 I live in a much
 more expensive
 apartment!!

If things are
 so tough,
 why did
 you move?!

WHO MOVED??!

But what about other people with special physical characteristics or talents or abilities? Shouldn't they qualify for special coverage, too? We'll show you what we mean with . . .

FEET ACOMPLI DEPT.

One of the newest and fastest-rising sports here in the United States is also one of the oldest and most popular sports in just about every other country in the world. We're referring, of course, to Soccer. Those of you who are familiar with Soccer might as well skip this article . . . because there is nothing in it you don't know! Those of you who are unfamiliar with Soccer might as well skip it, too . . . because there is nothing in it you'll want to know! Which leaves us and the Printer to enjoy . . .

THE MAD SOCCER PRIMER

ARTIST: JACK DAVIS
WRITER: LARRY SIEGEL

Chapter One

See the men in the funny short pants.
What are they doing?
They are playing a game called Soccer.
It is the most popular game in the world.
What is the foremost rule of Soccer?
That you may kick the ball . . .
Or hit it with your head . . .
But you may never touch it with your hands.
What was potentially the greatest Soccer Team
In sports history?
Probably the 1979 New York Mets.

Chapter Two

What is the primary idea of Soccer?
To get the ball into your opponent's goal.
How will these men move the ball
Down the very, very large Soccer Field?
Perhaps by dribbling it with their feet.
How else will they move the ball?
Perhaps by passing it with kicks.
When do you think one team will get the ball
Close enough to take a shot at the other goal?
Perhaps by next Thursday.

Chapter Three

for President
★ Neuman ★
Alfred E.

Soccer is considered to be
The fastest-growing sport in the United States.
Here we see two typical American Soccer Teams in action.
There are eleven men on a side in Soccer.
How can we tell that these 22 players
Make up two typical American Soccer Teams?
Because on the field, this is what we see ...
(And suppose, instead of saying it,
We sing it...)

Six Germans running,
Five Ar-gen-tines.
Four Spanish Backs,
Three French men,
Two Turkish Wings,
And a pair o-of Polish Goal-ies!
How come there are no Canadians playing American Soccer?
Because they are busy in Chicago and Boston and Detroit
Playing American Hockey!

Chapter Four

Look, look, look.
One team has actually maneuvered the ball
Close to its opponent's goal.
Isn't it exciting?
This the first time it has happened today.
And they have only been playing for 78 minutes!
Now, all they have to do is penetrate a defensive wall
Of two Center-Backs, a Right-Back, and a Left-Back ...
Not to mention the Goalie ...
And they might get a shot at the goal.
What are the chances of scoring in Soccer?
About the same as Truman Capote's chances of scoring
At the office Christmas Party of Cosmopolitan Magazine.

Chapter Five

As we have said before,
In Soccer, you may kick the ball
Or hit it with your head ...
But no one must ever touch it with his hands.
Except the Goalie!
The Goalie follows his own set of rules.
He can kick the ball, and head the ball,
And punch the ball, and sit on the ball,
And catch the ball, and throw the ball.
He can do anything he wants at all times!
He even wears a different-colored jersey
Than his team-mates.
The Goalie is a very important and powerful person.
What will this Goalie do when he retires from Soccer?
Either become the Dictator of a South American country
Or Chairman of OPEC.

Chapter Six

See the crowd watching an American Soccer game.
A Soccer crowd is a lot like the United Nations.

Why is that?
Because it is comprised of people
Of all different nationalities?
Partly ...
But also because they make a lot of noise
And they usually accomplish nothing.
South Americans are fascinated
By the teamwork in Soccer.
Europeans are fascinated
By its finesse.
Asians are fascinated
By its competitive spirit.
Why are Americans fascinated by Soccer?
Because they want to see for themselves
If it's true that Soccer
Is the only sport ever created
That is more boring than Baseball.

Chapter Seven

See the angry Soccer fans.
They take the game very seriously
And they have very short tempers.
Look, look, look.
The stands have gone berserk.
The Italian fans are beating up on the British fans.
The Brazilian fans are belting the Portuguese fans.
The Indonesian fans are pounding the Egyptian fans.
Isn't this dreadful? !
Isn't it inexcusable? !
It sure is! !
Don't they realize that
Because of this terrible racket they're making,
They just woke up the American fans? !

Chapter Eight

Soccer is a very strenuous game.
Play very rarely stops.
The only one who calls time is the Referee.
And only if there is serious injury on the field.
Look at the player
Lying motionless in a crumpled heap.
He was killed by angry fans
Who are rooting for the other team.
Why doesn't the Referee call "time"?
Because, compared to what Soccer fans
Usually do to rival players,
Death is not considered a serious injury.

Chapter Nine

VOTE
MAD

Soccer is a very democratic sport.
Almost anybody can play it.
Weight and height are unimportant.
See that 14-year-old boy?
He is only 4-feet, 11 inches tall.
He doesn't have to grow up to be 7 feet tall
So he can look like Bill Walton
And play Professional Basketball.
Instead, he can grow up to be only 5 feet 8 inches tall
And look like Pelé
And play Professional Soccer.
But supposing he doesn't grow up at all! ?
That's okay, too.
He can always look like Paul Williams
And write songs.
Come to think of it,
Who needs Soccer? ! ?

ONE FINE DAY ABOUT TWO WEEKS AGO

HE'S A GARNER DEPT.

Ever since Television became the national pastime, there have been shows featuring advice-giving Fathers . . . like "Eight Is Enough" . . . and shows featuring Private Eyes . . . like "Barnaby Jones." But several years ago, some creative TV Producer got the brilliant idea to combine these two tiresome formats into one show! The results . . . ? All we can say is, "ONE is enough!" You'll see what we mean with our version of—

THE CROCKFORD FILES

This is Jam Crockford!
I'm not at home right
now! Leave your name
and message, and I'll
get back to you . . .

Thanks for letting
me know you ain't
home, Crockford!!
I'll be right over
to rip off your pad!

Jammy, I'm ashamed of
you! Jus' look at this
mess! I tol' you, when
you have friends over,
play outside! Gol-ly,
what's a Father t'do!!?

I didn't
do this,
Crocky! I
was ripped
off!!

That Burglar fella
must be new at the
game! Imagine, rob-
bin' a Private Eye
who never gets paid!

What did they get, Jambo . . . ??

Actually, Menace, nothing seems
to be missing! In fact, the guy
left a \$5 bill and this note . . .
"You need this more than I do!"

I'LL take
that! It's
evidence!
NOT the
note, the
five bucks!

Am I glad I found you, Angle!
I want your counterfeit money!

How did you get to
be Vice President?

It's ALL YOURS, Jammy! I've
gone LEGIT! Yes sir... you
are lookin' at the NEW Angle
Moron... VICE PRESIDENT of
the SAN ANDREAS FAULT LAND
DEVELOPMENT CORPORATION!!

I answered an
AD! They was
lookin' for an
Executive with
no experience
and a low IQ!

It's a fantastic job, Jammy! Man,
I got this office, and I sit at a
desk and I sign papers and I take
a lot of "physicals"! See, I'm
what they call a "Key Personnel",
so they keep takin' out these
INSURANCE POLICIES on me...
ten million bucks worth so far!

Angle, it sounds
like a SET-UP!
They're going to
KILL YOU for
the INSURANCE!

Yeah? You think
I should QUIT?!

No... but
how about
taking out
ANOTHER
POLICY
and naming
ME the
beneficiary!

ANGLE... WATCH OUT!!

You okay, Jammy?

Don't be silly, Jammy!
You jus' gotta be more
careful where you walk!

I guess so! See
that?!? They
were trying to
get you, Angle!

ANGLE! We're in
the LOBBY!!

Now, this, Jammy, is my
private eleva—Jammy??

It mus' be out of order!
Come on, we'll walk up!

Angle,
don't
you see?
They're
trying
to KILL
YOU!!

Jammy, you're gettin' paranoid!
Why don't you go into my private
John and freshen up! Man, I used
to think that Executives went to
the John like everyone else...
but they don't! I mean, I got me
a soft seat and a gold handle...

Don't it give you a **good feelin'**, Sonny ... knowin' you saved that girl?

Not exactly, Dad! She's suing me! She claims it was **MY** fault she was hurt! I got to get this car back to Angle, and—

Oh-oh! I think we're being **tailed!** Hang on! I'll try to lose him!

You better go see a shrink, Sonny! You're gettin' **hemorrhoid!**

Whatever! That guy behind us is haulin' fruit, 'cause he jus' **threw** a pineapple!

The word is **"PARANOID"**, Dad ...

That's no pineapple, Dad! That's a ...

... a **grenade!**

Lucky f'r us, Angle has front-wheel drive!

Alfred E. Neuman for President

Here, Angle! I ... I brought your car back!

Where's the **REST** of it?! I lend you a brand new Caddy, and you bring back a **CHARIOT!**

Forget the car, Angle! I need your **HELP!**

What **NEXT?** You want to borrow my **ten-speed BIKE** so you can bring back a **five-speed UNICYCLE?!**

It was **YOUR CAR**, Angle! They were trying to **KILL YOU!!** But I got their **address** by tracing their **license plates!** Now, if I can get a look at their files, we can get the **EVIDENCE** we need to put those creeps away! We'll pretend we're **AUDITORS!**

I don't even know what an Auditor **IS!!**

He checks **figures!!**

Hey, Jammy! I've been an Auditor all my life! Why, just last week, I was auditing down at **Redondo Beach**, and I seen me a perfect **"10"!**

Alfred E. Neuman ★ for President

We're the **Auditors** from the **Accounting Department**. Miss ... as you can probably tell from my **prissy manner** and my **horn-rimmed glasses!**

We're here to check **Mr. Bigg's secret files!** My colleague and I **don't** wish to be disturbed! This is no **easy job**, believe me, all those **columns of figures!**

Yawwwn! You **MUST** be from the **Accounting Department!** You're **BORING** me to **DEATH!**

Gee, Jammy, this playing Auditor is almost as much fun as playing Doctor! Hey—will you look at that . . . ?!

Wow! Here it is, Angle . . . ! The proof that they hired you so they could kill you and collect the Insurance!!

And, in one of those familiar TV plot coincidences, they're the SAME gang that kidnapped the girl! They used the ransom money to pay all the Insurance premiums!

That's RIGHT! And now, we're gonna take you two for a RIDE!

Hey, you wouldn't wanna take ME for a ride! I mean, I get CAR SICK! You wouldn't want me barfing all over your nice new Lincoln, wouldya?

Relax, Angle! The Cops will be coming through that door any minute now! I told Crocky to put in a call to them if we weren't out of here in five minutes!

Yeah? Well, where ARE they? We have been here for FIFTEEN minutes ALREADY!

Okay, drop those guns!

It's about time, Menace! What took you so long?

Crocky didn't give me your message until after we'd been talking for about fifteen minutes or so!

I jus' couldn't help it! We was havin' such an interestin' conversation! Menace was sayin' all them Cop things, like "perpetrator" an' "ten-four!" Y'know how time flies when y'r having fun, Sonny!

An' speakin' of havin' fun, Sonny, I rented us a cabin in the woods! We're goin' fishin'! Jus' us, an' Nature for a whole month! We can fish an' talk, and I'll give you advice an' say folkey things, an' there won't be another livin' soul aroun' for miles, except Angle . . .

I'm comin', too, Jammy! And I'm bringin' my over-sized portable radio with the huge speakers! Man, we're gonna have us a ball!

Uhhhh . . . sorry, fellas! I can't go! I'm a WITNESS! Right, Menace . . . ? I can't leave town!??

No, you're free to go, Jambo!

ARREST ME, Menace! I passed counterfeit money in that ransom drop! You have to throw me in jail! Listen . . . I KNOW my RIGHTS!

Forget it, Crockford! Have a nice vacation!

An' at night we'll sit aroun' a roarin' fire an' play "Old Maid" . . . an' bob for apples . . . an' squeeze rolls of toilet paper . . . an'—

MENACE!! HELP ME!!

Don't that sound like Fun, Jammy . . . ?!
